Freiburg, 20. Mai 1999 / Prof.Os/Hü

**C e r t i f i c a t e**

**Dr. med. Arkadiusz L e c h , Sosnowiec/Poland** was here as a visiting Doctor from 16.3.98 through 27.3.1998 and 19.4.99 through 30.4.1999. Dr. Lech attended neurosurgical rounds and conferred with the staff.

In the operation theater he studied stereotactic techniques, in particular interstitial radiotherapy with seed implantation for brain tumors as well as the physical and neuropathological aspects in several operations.
